

Registering your short name on Facebook

- 1) In your browser window get to your BUSINESS page, click EDIT PAGE, from the drop down menu choose the top link, UPDATE INFO

- 2) Make sure you are in BASIC INFORMATION. The place to choose a tag name for your page is USERNAME field.

- 3) Once you chose the name, and the system allowed you to have it, hit SAVE CHANGES at the bottom of the page. You are all done!
