

Perry's Online Ordering Guide: How to Register an Account for Current Customers

1. If you are a current customer, visit: orders.perrysicecream.com and click on **Register New Account**.

2. Complete all fields and click **Register**.

The validation page will automatically appear after you submit your information.

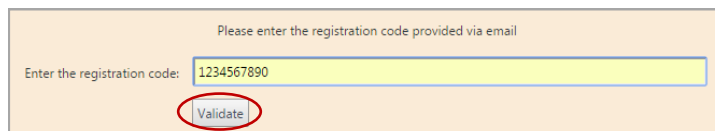

3. An email will be sent to the provided email address(es) with your registration code and a link to the validation page.

Your registration code is **4016377076** and must be entered into the system to validate your email address and allow you to access our system.

https://orders.perrysicecream.com/online_ordering/rdProcess.aspx?rdProcess=startup&rdTaskID=task_startup&my_task=Validate&my_email=colleen.knopeck@40perrysicecream.com&my_token=4016377076 will take you directly to the entry screen.

4. If you have the validation page open, enter your registration code and click **Validate**. If not, follow the link in the email to the validation page, enter your password and click **Validate**.

5. After validating your email address, you will receive an email saying you've been registered. Once your information has been verified, you will be notified that you have access to place orders. **Note: This may take 3-5 business days.**

Thank you for validating the email address submitted for your account at <https://orders.perrysicecream.com>. Once your information has been verified, you will be notified that you have access to place orders. This may take 3-5 business days.

In the mean time, feel free to log into your account to browse the **Account Management or Help** pages.
